

## **Buffalo Medical Group Adds Vascular Surgeon Dr. Paul Anain**

WILLIAMSVILLE, NY—Paul M. Anain, MD, a prominent Western New York vascular surgeon, has joined Buffalo Medical Group, PC.

Board certified in surgery and vascular surgery, Dr. Anain currently is Chief of Vascular Surgery and director of the non-invasive vascular lab at Sisters of Charity Hospital in Buffalo.

A graduate of Canisius College, he earned his medical degree at the University at Buffalo (UB) School of Medicine and Biomedical Sciences. Dr. Anain completed a residency in general surgery at the Cleveland Clinic Foundation, and fellowship training in Vascular Surgery at UB, and Endovascular Surgery at the University of California, Los Angeles (UCLA).

Dr. Anain is a Fellow in the American College of Surgeons and a member of the Society for Clinical Vascular Surgery, Society of Endovascular Specialists, Society for Vascular Medicine and Biology, and the Society of Vascular Surgery. He also is a Diplomate with the American Board of Surgery and American Board of Vascular Surgery. From 2003-2005 he served as president of the Western New York Vascular Society.

Dr. Anain has authored or co-authored articles for medical publications and done presentations on his research both nationally and internationally.

Dr. Anain's office is located at 295 Essjay Road in Williamsville.

Founded in 1946, Buffalo Medical Group is among the oldest and largest multi-specialty physician practice groups in New York State and the largest in Western New York. With 100 specialists and sub-specialists as well as a team of 740 nurses, technologists, and other health care professionals, BMG records more than 400,000 outpatient visits annually at its main locations in Buffalo, Williamsville, and Orchard Park and 23 satellite sites.
