

BMG Names Quality Assurance and Risk Management Director

WILLIAMSVILLE, NY—Karen D. Tunis-Manny has been appointed Director of Quality Assurance and Risk Management at Buffalo Medical Group, PC.

Ms. Tunis-Manny has many years of leadership experience and expertise in health care administration and health law as well as a strong background in corporate compliance, continuous quality improvement, risk management, regulatory matters, and government relations.

Most recently, Ms. Tunis-Manny was Vice President and General Counsel at Niagara Falls Memorial Medical Center. Prior to that, she served as Vice President and General Counsel at BryLin Hospitals, Inc., and Assistant Corporate Counsel at National Health Care Affiliates, Inc.

Tunis-Manny is a graduate of the University at Buffalo (UB), where she also earned her law degree.

In her position at Buffalo Medical Group, she will be responsible for continuous quality improvement, legal services, and risk management initiatives.

Ms. Tunis-Manny is a member of the New York State Bar Association, Erie County Bar Association, and American Health Lawyers Association. In addition, she is affiliated with the American Heart Association Advisory Board and City of Buffalo Department of Substance Abuse Board of Advisors.

Founded in 1946, Buffalo Medical Group is the largest multi-specialty physician practice group in Western New York with over 30 specialties and subspecialties, and more than 100 physicians. BMG annually records over 400,000 outpatient visits at its main sites in Buffalo, Williamsville, and Orchard Park and 25 satellite sites throughout Western New York.
