## **PRIMARY CARE PHYSICIAN JOINS BUFFALO MEDICAL GROUP**

*Dr. Frank Voelker joins Primary Care Division of Western New York's largest physician group.*

(Williamsville, NY) – Buffalo Medical Group has added a primary care physician to its large complement of internal medicine and family medicine providers.

Frank J. Voelker, D.O., joined the Buffalo Medical Group, PC, effective February 20. His practice is focused on preventative care and evidence-based treatment.

Following a long career of seeing patients in private practice, Dr. Voelker joins BMG's Department of Internal Medicine. He will continue to see patients at his present office at 1825 Maple Road, Williamsville, and will relocate to 325 Essjay Road, Williamsville, in the summer of 2012.

A graduate of the University at Buffalo School of Pharmacy and Pharmaceutical Sciences where he received a Bachelor of Science degree in Pharmacy, Dr. Voelker earned his doctor of Osteopathic Medicine at the University of New England College of Osteopathic Medicine. He then completed a residency in Internal Medicine at the UB School of Medicine and Biomedical Sciences and Millard Fillmore Hospitals.

He is board certified by the American Board of Internal Medicine, and a member of both the American College of Physicians and the American Society of Internal Medicine. Dr. Voelker is affiliated with Kaleida Health hospitals.

### ***About Buffalo Medical Group:***

*Founded in 1946, Buffalo Medical Group, P.C., is among the oldest and largest multi-specialty physician practice groups in New York State. With more than 100 specialists and sub-specialists – as well as a team of more than 600 nurses, technologists and other health care professionals – BMG records more than 400,000 outpatient visits annually at its main locations in Buffalo, Williamsville and Orchard Park as well as 21 satellite sites. For more information on BMG, visit our web site at [www.buffalomedicalgroup.com](http://www.buffalomedicalgroup.com).*
