

Important Update for Transfusion Patients: Continuing Your Care with Buffalo Medical Group and Catholic Health

Buffalo Medical Group (BMG) and Catholic Health have partnered to strengthen infusion, hematology, and cancer care services across Western New York.

Through this collaboration, you'll continue to receive care from your trusted BMG providers while benefiting from an expanded care team, enhanced resources, and greater access to coordinated care close to home. In addition, Catholic Health will now provide infusion services for BMG patients at our Williamsville and Orchard Park locations, ensuring you continue to receive convenient, high-quality care in a familiar setting.

Temporary Location Change for Transfusion Services

Beginning August 17, 2026, to support facility improvements, renovations will be done at our 295 Essjay Road Williamsville and 3900 North Buffalo Road Orchard Park locations. **During construction, infusion services scheduled from August 17 until the end of the year will temporarily take place at:**

Catholic Health Infusion Center
(A department of Sisters of Charity Hospital)
6350 Transit Road
Depew, NY

After Renovations are Complete:

- Patients who typically receive care in Williamsville or Orchard Park will return to these locations for both office visits and transfusion services.
- Patients receiving office visit care in Lockport and Niagara County will continue to be seen at Lockport Memorial Hospital. Patients receiving infusion treatments will move to the 295 Essjay Road location in Williamsville.

What This Means for You

Your care remains our highest priority, and we are committed to making this transition as seamless as possible.

- Your scheduled treatment dates and times will remain the same when possible.
- Only the location of your transfusion appointment will change temporarily.
- Your physicians, care team, and treatment plan will remain unchanged.
- Transfusion and infusion services will be billed by Catholic Health (a department of Sisters of Charity Hospital). **If you have insurance coverage or billing questions, please call Catholic Health at (716) 601-3600.**

Need Help?

If you have questions about your care or this transition, please contact your physician's office or send a message through your **MyBMGChart** patient portal.

Thank you for trusting us with your care.

We sincerely appreciate your understanding and flexibility as we make these improvements. This partnership reflects our ongoing commitment to enhancing your care experience and ensuring you have access to the highest quality care close to home.
