

NOTICE: Scam Alert

We have been made aware that some patients may be receiving fraudulent emails or messages that appear to be from MyChart. These communications are **not from Buffalo Medical Group** and may attempt to obtain personal or financial information or direct patients to make payments.

Please be aware of the following:

- Buffalo Medical Group is aware of reports of this potential scam.
- Patients who receive suspicious emails or messages claiming to be from MyChart should **not click on any links, open attachments, or provide personal or payment information.**
- Patients should delete the message.
- At this time, there is no indication that Buffalo Medical Group's systems or MyChart accounts have been compromised.
